MANAGING COOKIES

If you want to, you can usually stop your browser accepting cookies from all sites, or stop it accepting cookies from a particular website. However, as cookies are a standard part of most modern websites, this will probably limit the functionality of not only our site but many others too.

You can find the tools to manage cookies in the 'preferences' or 'tools' menu of your browser, otherwise you should use the 'Help' option in your browser for more details.
